

Art Course Outline

Ms. Doran (email sdoran@trsd.ca)
Course Length: Full Year

Required Materials:

- pencil/eraser
- colouring supplies (pencil crayons or other)
- *All other materials will be provided

Course Overview:

This year, students will be experimenting with different mediums such as paint, pastels and clay. They will be able to try out different techniques to learn about texture and colour.

Expectations:

Students will be expected to participate in all art classes. They need to come to class with an open mind and a willingness to try their best. Being an artist is not expected, but making an honest attempt at the art projects is. Students will be asked their input about what projects or crafts they would like to try and if possible we will complete them. Art projects will also be integrated into other subjects such as ELA, Social Studies and Science, and may not be solely in an art time slot.

Assessment:

- projects
- participation

As art is only twice a cycle, students who miss a day MAY be excused from an art project if necessary; however, they will have other opportunities to complete the project.
