

Kindergarten Year Plan 2018/19

	ELA	Math	Science	Social Studies
Ongoing	Read alouds, Shared reading and writing, guided reading, alphabet studies, home reading program, Buddy reading, Heidi Songs, Handwriting w/o Tears	Math outcomes are introduced and explored through the manipulation of math tools. The 3 Math Strands (Number, Patterns and Relations, Shape and Space) will be explored sequentially to build upon prior knowledge and will be revisited throughout the year.	Science outcomes will be incorporated into themes and integrated into other subject areas.	Social Studies outcomes will be incorporated into themes and integrated into other subject areas.
September	Themes: Back to School, Fall/Apples, Terry Fox. -printing names -letter/sound association -poems -Show and Share	Number Concepts -rote counting -subitize 0-6 -recognizes numerals to 10 -1-1 correspondence -matches sets & Numerals -forms recognizable numbers	Cluster 1: Trees -Apples/Leaves -Seasons -Parts of the tree	Cluster 1: Me -Manners/School Rules -Family -Friends -Safety
October	Themes: Halloween, Thanksgiving	Patterns & Relations -8 basic colours -reproduce, continue & create patterns -identifies, sorts & classifies objects		
November	Themes: Remembrance Day, Journals	Shape & Space -identifies basic 2D/3D shapes -understands/uses words that describe position	Cluster 2: Colours -identify 11 colours -colour vocabulary: primary, secondary, mix, light & dark	
December	Themes: Christmas	Revisit explored concepts		

January	Themes: Winter,	Number Concepts -rote counting -skip counting -Numeral recognition		Cluster 2: The People Around Me -School Community -Community -Family -Community Jobs
February	Themes: I Love to Read, 100 th Day, Valentine's Day, Groundhog Day	Number Concepts -Addition & Subtraction	Cluster 3: Paper -identify types of paper -observe & compare characteristics of paper	
March	Themes: St. Patrick's Day, Fairy Tales	Patterns & Relations -graphing		
April	Themes: Spring, Mud, Easter	Continue to build upon math skills		Cluster 3: The World Around Me -Landmarks -Canada -Physical Environments -Globes, Maps -Basic needs around world
May	Themes: Trees, butterflies	Number Concepts -rote counting -subitize 0-6 -recognizes numerals to 10 -1-1 correspondence -matches sets & numerals -forms recognizable numbers -addition & subtraction		
June	Themes: Animals, Bugs, Summer	Revisit explored concepts		Mini Field Trips to reinforce concepts.
