Alonsa School

Course Description

Welcome to Lifeworks Building! This course is designed to connect school learning with workplace and labor everyday life. This course will also give you an introduction into post- secondary education.

Course Objectives

This course is divided into 5 units:

1. Personal management
2. Career Exploration
3. Learning and planning
4. Job Seeking and Job maintenance
5. Career and Community Experiences

Materials

- Pencil
- Binder
- Scribblers
- Computer (MyBlueprints)
- Your mind

Evaluation

All course work will be worth 70% (Assignment, projects, participation) and the final project will be worth 30%. Your course mark and tests will be divided between all five units.

Important Points

1. Students are responsible for all homework and notes which were missed while they were absent. Students are encouraged to ask a classmate upon returning to catch up on materials.
2. If a student has an excused absence during the day of a test, they will write the test when they return during lunch. If you plan on being away, please inform the teacher ahead of time.
3. Electronic devices use is permitted in the classroom during stated times only. If electronic devices are not used for educational purposes under teacher's instruction, then they need to be put away or be taken away.

Division Policies:

Attendance

You are expected to attend all classes, every day. I understand that this may be nearly impossible, so you must provide notice to the school and teacher of your absence in advance whenever possible.

Late Assignments

If you fail to complete an assignment, your parents will be notified and a secondary due date will be set. Should you fail to complete the assignment by the new due date, you will receive a zero. There will be some flexibility with respect to due dates in extenuating circumstances, such as prolonged illness or a death in the family.

PLEASE NOTE: Assignments from the beginning of the year will not be accepted days before the term ends.

Academic Dishonesty

As you may have heard already today, academic dishonesty will not be tolerated in this school. If you are asking, “What is academic dishonesty?” the answer is simple – any type of cheating. This includes (according to Wikipedia)

Plagiarism: The adoption or reproduction of original creations of another author (person, collective, organization, community, including anonymous authors) without due acknowledgment.

Fabrication: The falsification of data, information, or citations.

Deception: Providing false information to an instructor —e.g., giving a false excuse for missing a deadline or falsely claiming to have submitted work.

Cheating: Any attempt to give or obtain assistance (like an examination) without due acknowledgment.

Bribery: or paid services such as giving certain test answers for money.

Sabotage: Acting to prevent others from completing their work. This includes cutting pages out of library books or willfully disrupting the experiments of others.

Technology:

- Phone/computer are used for only school purposed only!!
- **No Social media!!!**
